Half a Life, published a decade ago, is another one of Naipaul's spare, brooding tales that focuses on the lack of identity--cultural identity, really--that characterizes modern life. The novel begins with a kind of joke. Willie Chandran was so named for W. Somerset Maugham who once met Willie's confused father, a silent holy man in India.

So begins Darin Strauss’ Half a Life, the true story of how one outing in his father's Oldsmobile resulted in the death of a classmate and the beginning of a different, darker life for the author. We follow Strauss as he explores his startling past--collision, funeral, the queasy drama of a high-stakes court case--and what starts as a personal tale of a tragic event opens into the story of how to live with a very hard fact: we can try our human best in the crucial moment, and it might not be ...
